

Experienced Police Officer

The Fort Mitchell Kentucky Police Department is accepting applications from experienced Police Officers. We are searching for applicants who love what they do, but are looking for a new place to do it. We're looking for officers who are inspired by and dedicated to the concept of service above self. Current police officers who want to work at an agency that appreciates community involvement (because our community appreciates us), thinking outside the box, and one that helps officers focus on following their passion within the law enforcement field are encouraged to apply. We offer competitive, experience-based lateral pay (\$20-\$30 per hour plus holiday pay and cell phone stipend) and benefits. Applicant's need to be certified officers in Kentucky with a minimum of three years of police officer or deputy sheriff experience. Retired officers eligible for retiree rehire will be given priority during this process. Applicants must be a high school graduate, 21 years of age, free of felony conviction, and possess a valid driver's license. Bachelor's or Associate degree preferred.

Applications for employment along with a resume and cover letter must be returned via email (andrew.schierberg@fortmitchell.com) or by mail. EOE – Applicant's assistance under the ADA Act contact 859-331-1212.
