

# ROAD WORK NOTICE

## REQUARDT LANE STREET IMPROVEMENTS

### **PUBLIC INFORMATIONAL MEETING – TUE MAY 23<sup>rd</sup> at 5:30 p.m.**

- Residents are invited to attend an informational meeting at the intersection of Requardt and Virginia
  - The City will discuss work details and project schedule.
  - Residents will have an opportunity to ask questions about the project.

Dear Resident:

The City of Fort Mitchell has contracted with Riegler Blacktop to perform full depth reconstruction on Requardt Lane. The work will include the full length of Requardt Lane from Virginia Avenue to Dixie Highway. The pavement will be removed and replaced with new curb and gutter and asphalt pavement. Work will include partial replacement of driveway aprons as necessary. Virginia Ave will be milled and resurfaced after the work on Requardt is completed. Work is schedule to begin June 5 with anticipated completion by August 18. **You should expect some temporary inconveniences with parking and access to your driveway during this time.** Please bear with us as we make these repairs / improvements to your street.

You are invited to attend the meeting on Tuesday, May 23<sup>rd</sup> at 5:30 to discuss the work and schedule for completion. If you are unable to attend and you have any questions or concerns regarding the work, please feel free to contact me.

**Special Needs? Handicap access? Lawn Irrigation? Dog fence?** Please let us know if you have any of these so the contractor can work with you to avoid unnecessary disruption.

### **Project Contact:**
